

## Call for abstracts

Researchers, market actors and policy makers are invited to submit an abstract in order to present their most recent works and results at this key international event in the world of solar and renewable district heating. The following topics have been selected by the Conference Program Committee:

### Topic 1: Supporting SDH in your region

- supporting policy
- availability of areas
- financing
- frameworks and projects in new markets
- innovative business models

### Topic 2: SDH in urban context

- integration in larger urban DH systems
- large collector fields in urban environment

### Topic 3: Repowering biomass heating plants with SDH

- projects
- framework
- economics

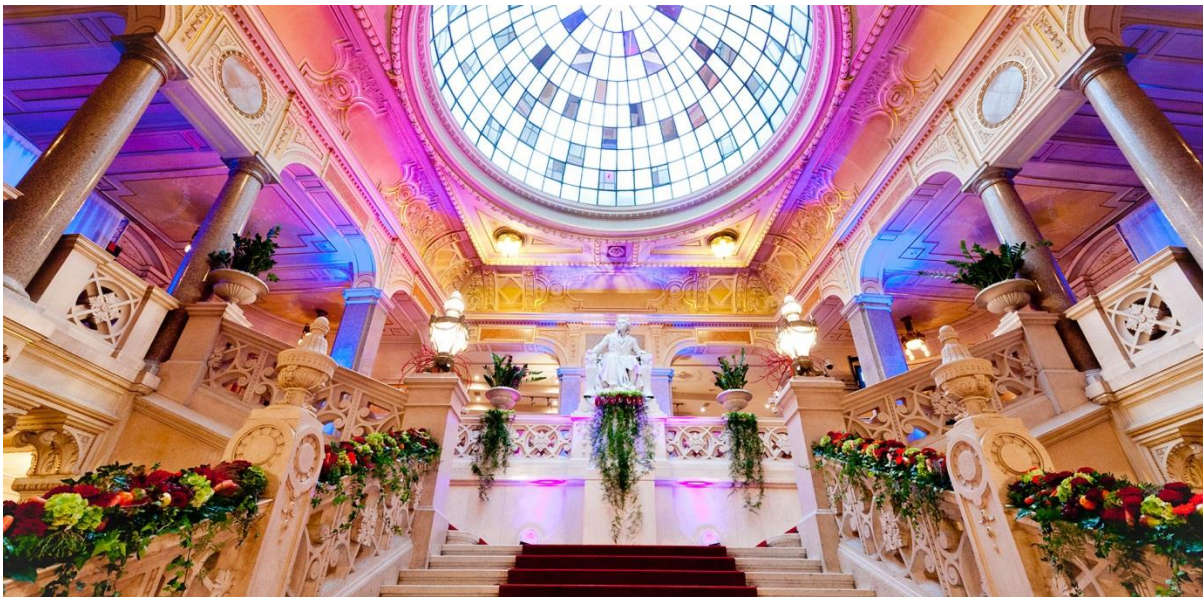

### Topic 4: Advanced concepts and components

- collectors
- storage
- system integration
- monitoring results

Please send your 2 page abstract before 25 October 2017 to [SDHConference@solar-district-heating.eu](mailto:SDHConference@solar-district-heating.eu). Your abstract will be evaluated by our program committee and you will be notified until 6 December 2017.

# Venue Congress Graz

A strong sense of history is combined with the venue's modern infrastructure. It is ideally located in the heart of the old part of a city that, in 1999, was named a "World Cultural Heritage Site". Congress Graz is an excellent venue for a wide variety of events.

## [Congress Graz](#)

Schmiedgasse 2  
8010 Graz, Austria

phone +43 316 8088-400  
fax: +43 316 8088-450

2 days payment by/after 11 February 2018 € 384,00 / € 492,00

Single day participation by/after 11 February € 276,00 / € 348,00

All prices include the conference materials, lunch, snacks and beverages.

## Travel and City information

The beautiful [city of Graz](#) is the state capital of Styria and the second largest city in Austria. Graz is still known as the **cultural capital of Europe** in 2003, since March 2011 Graz has also been selected as a **City of Design** by UNESCO. The **landmark of Graz**, the clock tower at the Schloßberg, stands majestically over the old Town of Graz.

Many roads lead to Graz, Austria's second biggest city – fast, comfortable, cheap or eco-friendly. Whether you choose to come by [plane](#), [train](#) or [automobile](#) the [Graz Tourism information](#) will have all relevant informations for you.
